EVENT NAME	Listening to vocational teachers and principals in Tunisia
LOCATION	CENAFFIF, 6, rue de France RADES, TUNISIE
DATE(S)	19 th March 2019

SUMMARY

This one-day national workshop provides an opportunity to reflect on the findings of new research carried out by the ETF in partnership with the Ministère de la Formation Professionnelle et de l'Emploi. This research invited Tunisian trainers and Directors of training centres to share their views about their work. The research draws upon the views of 386 trainers and 117 training centre directors working in 179 training centres in Tunisia, interviews with 9 stakeholders and a literature review. The research report reviews the state of policy development and provision with respect to *formation professionnelle continues pour les formateurs professionnels* in Tunisia. The research offers insight into modes of teaching, school leadership, links with business and workforce satisfaction.

The report provides conclusions and recommendations to support policy implementation. The workshop will critically evaluate recommendations and build agreement on ways forward.

The workshop will provide an opportunity to help shape the ongoing action to support the development of *formation professionnelle continue for formateurs professionnels* over the next two years.

The workshop will be of interest to policy makers and practitioners (from both the public and private sector) concerned about vocational teachers and teaching in Tunisia.

The workshop will be conducted in both French and English.

*Subject to final confirmation
Speakers will receive a detailed briefing note on their session*
