

Torino Process 2018-2020

EVENT NAME	Serbia Torino Process 2018-2020 Dissemination meeting – Key findings and recommendations of National report and ETF assessment
LOCATION	Hotel Palace, Topličin venac 23, Beograd, Serbia
DATE	22 May 2019, 8.30-14.00

SUMMARY

The Torino Process is an evidence-informed analysis of Human Capital Development issues and VET policies responses in the ETF partner countries. The process, launched by the ETF for the first time in 2010, enters in its fifth round of implementation that will be completed in the period 2019-2020.

Following the preparation of the national report, based on the National Reporting Framework, and of the ETF assessment, this workshop will have the primary objective to present and disseminate key findings and recommendations, representing the main outcomes of the process.

Specific objectives of the workshop are the following

- Share with participants the key findings and recommendations of the National Report (based on NRF) and of the ETF assessment
- Discuss in detail identified recommendations and links to the ongoing EU/ Government work for 2030 strategy
- Identify and agree specific actions to address the recommendations (both quick-wins and longterm actions)

The expected outcome is an agreement on Torino process findings and a set of strategic and concrete action-oriented recommendations.

The event forms part of the European Vocational Skills Week, which showcases vocational education and training; and vocational skills through a series of events, exhibitions and other initiatives across Europe.
