

Torino Process 2018-2020

EVENT NAME	Torino Process 2018-2020 Online Dissemination workshop: Key findings and recommendations from the national report and the ETF assessment for Palestine
LOCATION	online – please register here .
DATE AND TIME	30 November 2020, 10:00 – 12:30 (local time in Palestine)

SUMMARY

The Torino Process is an evidence-informed analysis of Human Capital Development (HCD) issues and VET policy responses in the ETF partner countries. The process, launched by the ETF for the first time in 2010, enters in its fifth round of implementation that will be completed in the period 2019-2020.

This online workshop is part of the Torino Process fifth round dissemination phase. It has the primary objective to discuss findings and policy recommendations resulting from the national report of Palestine and the ETF HCD analysis, representing the main outcomes of the process.

Specific objectives of the workshop are the following:

- Share with participants the key findings of the national report and the ETF HCD assessment;
- Discuss recommendations;
- Identify possible actions to address the recommendations, in line with current and planned reforms in education and training.

The workshop will be in Arabic and English.
