Event name

Torino Process 2018-2020 Online Dissemination Workshop: Key findings and recommendations resulting from the ETF assessment Kyrgyzstan, 20.11.2020

Main objective/s

Following the preparation of the ETF assessment, this online workshop has the primary objective to present and disseminate key findings and recommendations which represent the main outcomes of the process.

Specific objectives of the workshop are the following

- *Share with participants the key findings of the ETF assessment*
- *Discuss recommendations*
- *Identify actions to address the recommendations (both short quick-wins and longterm actions)*

Background

The Torino Process is an evidence-informed analysis of Human Capital Development issues and VET policies responses in the ETF partner countries. The process, launched by the ETF for the first time in 2010, enters in its fifth round of implementation that will be completed in the period 2019-2020 in Kyrgyzstan.

SHORT DESCRIPTION OF THE EVENT

This online event was a great success with over 50 national and regional stakeholders, and European Commission, international organisation representatives in attendance.

KEY OUTCOMES/CONCLUSIONS

The findings of the ETF assessment were largely discussed and the identified recommendations were highly appreciated by the national authorities and VET representatives. It has also been agreed to disseminate the Torino Process report in 3 languages: Kyrgyz, Russian and English.
