## VIRTUAL EMPLOYERS' SURVEY DISSEMINATION

TURIN, BEIRUT- ONLINE, ZOOM

22 MARCH 2021, H. 10:00 - 11:00 CET (11:00 - 12:00 EET)

---

### SUMMARY

#### *Introduction*

To respond to the need for regular data collection on skills demand, the employers' survey initiative was launched to test a feasible data collection tool and process in order to have a better understanding of the demand for workforce and skills. The piloting of employers' survey happened in three phases between 2018 and the beginning of 2021, testing different implementation modalities.

### Objectives of the meeting

- Presentation of the Employers' survey pilot exercises: lessons learned, challenges and opportunities for future
- Exchange of views and ideas amongst participants
- Identification of some recommendations and key issues for follow up

### Topics to discuss:

- Relevance of a sustainable Employers' survey in the country context
- Modalities and set-up of future Employers' survey
- Necessary conditions for sustainable survey implementation
