ACTIVE LABOUR MARKET POLICIES: EFFECTIVENESS, INNOVATION AND USE OF EVIDENCE IN THE REPUBLIC OF MOLDOVA DISSEMINATION

TURIN, CHISINAU - ONLINE, ZOOM

17 MAY 2021, H. 10:30 - 12:00 (CHISINAU TIME)

INTRODUCTION

In 2020 the European Training Foundation implemented two studies in the area of active labour market policies (ALMPs) in the Republic of Moldova to explore the elements of effectiveness, innovation and evidence based policy making. The final aim was to identify key policy messages for the next generation of measures aimed at human capital development and for the strengthening the role of evidence for policy making.

The meeting has the following main objectives:

- Present and discuss finding from the two studies on effectiveness, innovation and evidence based policy making in the area of ALMPs.
- Reflect on the priorities for future actions and support
