

# OUR JOURNEY TOGETHER

## PHASE 1: share, exchange, explore & analyse

### Shaping the community of practice

- Building a dynamic hub where ENE members can **exchange & learn from each other**
- Defining **key core concepts** of our community
- Providing a common **toolkit to communicate & work together**

### Programme of virtual peer-visits

- Conducting a **preliminary self-assessment**
- Identifying and presenting your own **good practices** of social inclusion
- **Hosting and participating** to online peer-review visits

### Analysis of findings from each member

- Elaborating **inputs** and **feedback** collected during the peer visits
- Identifying your **learning needs**
- Synthesizing the visit's results in a **report** for each CoVE

### Presentation of our results...

- **Comparing and summarising** what the reports of the CoVEs show
- Suggesting **recommendations** for future actions
- Presenting our results during an online **peer-review meeting**

### ...and commit to the next steps!

- **Valorising** existing good practices
- **Prioritising** the recommendations
- Developing your CoVE **action plan**
- Designing a comprehensive **thematic programme of peer learning activities**

# OUR JOURNEY TOGETHER

## PHASE 2: learn, show & recognise

### Programme of virtual peer learning activities

- Developing and delivering **peer learning activities** on **selected relevant topics** such as...
  - ✓ Curricula development
  - ✓ Trainers' skills development
  - ✓ Innovative training methodologies
  - ✓ Work-based learning
  - ✓ Public/private partnership
  - ✓ ...

### Open-up to a worldwide VET community

- Promoting the Social Inclusion initiative among main EU VET networks and platforms
- Providing **more visibility** to good practices of **social inclusion** among **international stakeholders**
- Producing **storytelling & communication-oriented actions**

### Make social inclusion sustainable, replicable & recognised

- Conveying the **peer learning model** tested in the **Community of Practice Compendium**
- Highlighting **achievements** and progress made by CoVEs
- Channeling **practices & policy learning recommendations** to participating CoVEs & other ENE members
