

AGENDA

TITLE: ONLINE SEMINAR ON QUALITY ASSURANCE

TIMING: 11, 18, 25.05 AND 1.06.2022

SUMMARY:

This training seminar is organised for the staff of the pedagogic institutes from Bosnia and Herzegovina. It is composed of a series of 4 online sessions that will be complemented by a face-to-face workshop.

It is expected that upon completion of the training course, the participants will have a better understanding of quality and quality assurance in Vocation Education and Training (VET), and of the European quality assurance policies in education and training. They will be able to select the most appropriate quality assurance measures.

The seminar is built around the following Methodology thematic units: ETF approach to Quality and Quality approach in VET; the EQAVET; analysis and use of indicators as a quality assurance measure; self-evaluation and external evaluation in QA, peer reviews and peer visits in QA.

Half a day will be dedicated to each unit.
