EURES in a nutshell

Free. Multilingual. Human Network

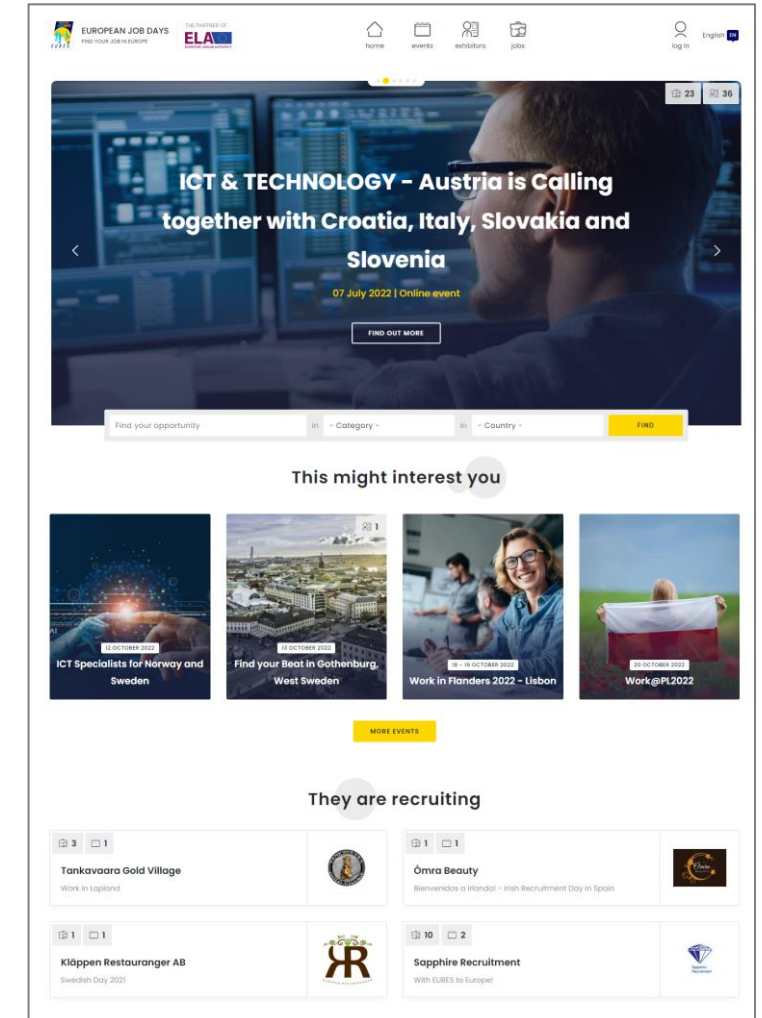

Launched in 1994, EURES is a European cooperation network of employment services, designed to facilitate the free movement of workers. The network has always worked hard to ensure that European citizens can benefit from the same opportunities, despite language barriers, cultural differences, bureaucratic challenges, diverse employment laws and a lack of recognition of educational certificates across Europe.

Introduction to EURES Training

- EURES training aims to equip EURES staff with the knowledge, skills and competencies to allow them to deliver a high-quality service to jobseekers and employers;
- Initial training (pre training) is at national level;
- ECO responsible for EU level training

The 3 phases of Training

EU level trainings:

1. Consolidation phase

Pre training (phase 1) aims to provide basic competences on:

- Participate actively in the EURES network;
- The use of European EURES tools;
- Union policies on free movement of workers;
- Cooperation in EURES on European level;
- EURES structure at the European level;
- How to work in a multicultural environment;
- European labour market.

Structure:

- ✓ Self-assessment tool and motivation
- ✓ Onsite/online learning and networking workshop
- ✓ Virtual modules

EU level trainings:

2. Eures Academy

- Entry to the Academy is granted when the Consolidation phase is successfully completed
- Includes targeted training sessions **onsite and online classrooms, e-learning modules, networking events and mutual learning opportunities.**
- There are 4 areas of targeted training topics:
 - ✓ **Job placement** services towards jobseekers
 - ✓ **Communication**
 - ✓ **Matching processes**
 - ✓ **Job recruitment services** towards employers

	Target
Number of people trained	1,750
