Digitalisation: a good quality a good communication

→ the interests of the ANETI

- The spirit of innovation/a challenge/communication

Ex: RTMC : the Tunisian referential of jobs and competences

An efficient and connected agency

- To move from the quantitative to the qualitative
- The digital transformation project to strengthen and modernise its intervention on the labour market

A known and recognised agency

- Modernisation of media tools
- The creation of the facebook; twitter and instagram account

An agency rich in men and women

- The development of the competences of the staff of the ANETI
- The certification of microsoft

INTERNATIONAL COOPERATIONS

The national policy in the field of employment is based upon strengthening cooperations with various countries so as to explore new job opportunities to employ Tunisian competences and absorb a part of job seekers

Exchanging data information in order to maintain innovation and modernisation

Example of cooperation: the French-Tunisian cooperation (handicap international) to maintain disabled people of specific care support)
