

AGENDA

TITLE:

Rapid Education Diagnosis (RED) Kosovo: Dissemination workshop

OBJECTIVES:

General objective: to sharing the findings and recommendations of the ETF/EU rapid education diagnosis to key stakeholders of the education system in Kosovo

Specific objectives:

- ✓ to present and discuss the findings and recommendations with the key-stakeholders involved in the process, including very last data updates before the final publication of the RED report
- ✓ to prepare the ground for an open national debate on the Kosovo education system priorities and for follow-up discussions with main target audience (MESTI and other line ministries, MEDs, education providers)
