</tbody>
</table>
Accreditation process

In order to be accredited for the implementation of the RPL, institutions must meet a series of specific criteria such as:

✓ Internal QA mechanisms
✓ Specific equipment
✓ Internal policy
✓ Staff requirements
Online pre-registration platform

With the support of the ESVET PRO Project implemented by LuxDev and financed by the EU, the NQA provides you the opportunity to be certified through RPL.

To complete your application, you must first create your account on the eKosova state platform by clicking on the button "Register" and then you can complete your application.
