Provision of social security on the basis of social contracts in Kyrgyzstan

N. A. Turkebekova, Head of Employment Promotion Unit of Ministry of Labour,
Social Security and Migration of the Republic of Kyrgyzstan

Barcelona, 2023

- A **social contract** is an agreement on mutual obligations between a low-income or limited-means family and a territorial division of the Ministry of Labour,
- according to which the territorial unit provides budget funds totalling 100,000 soms (\$1,119) to a low-income or limited-means family to start a business.
- This new state support mechanism** is being implemented within the framework of the National Development Program of the Kyrgyz Republic until 2026, as approved by Decree of the President of the Kyrgyz Republic S. N. Japarov No. 435 dated 12 October 2021.
- **Recipients of state assistance** are poor or low-income families with potential for work.

WHAT FAMILIES CAN ENTER INTO A SOCIAL CONTRACT WITH THE STATE?

Resolution of the Cabinet of Ministers of the Kyrgyz Republic “Concerning provision of social assistance on the basis of a social contract”, No. 385 dated 15 July 2022

- presence of document confirming that the family is of low income or limited means
- consent by the family to receive social assistance on the basis of a social contract
- the family has a business plan and potential for work and assets

The social contract is concluded for three years

The social contract project has started in the pilot areas
(100 projects/families in 2022)

2022
100.0
thousand soms
issued to each family

2,800
families/projects

15.4
thousand people's well-being improved

292.0
million soms
financed

100.0

thousand soms in support issued to each family

10,000

families/projects

55.5

thousand people's well-being raised

1.0

million soms financed

11.8

thousand jobs created

Small business (greenhouses, paving stone production, car repairs, welding etc)

Subsidiary farm (livestock rearing, farming organisation etc)

Other measures (sewing, repair services, agricultural services, cooking services etc)

Participants in "social contract" project, 2023

The "social contract" is witness that every person has the right and the potential to make their own contribution to society and make their ideas a reality that bears fruit

Areas covered by social contract participant business projects in 2022 and 2023

16.4%: production (15% sewing, the remainder production of reinforced concrete products and windows, soap making, dried fruit production, furniture workshop and crushing services)

6.2%: trading (small shops, chemists)

6.4%: service provision (catering and taxi services, construction, installation and personal services, confectionery production, IT, beauty salons, self-diagnosis centres, massage)

71% in agriculture (68% animal rearing, the remainder in plant cultivation, bee keeping, greenhouses, bird-rearing)

The realisation of the project is being supervised personally by the President of the Kyrgyz Republic, S. N. Japarov

The project is radically changing people's awareness and ways of thinking

The project reveals human potential

The implementation of the mechanism was greatly appreciated by influential international organizations

3 The state is continuing with its policy of support and monitoring

The welfare of more than 70,000 people is improving.

The project is turning dreams into reality.

Thank you for your attention!
