

# AGENDA

## TITLE:

## ETF online meeting: VET Recommendation and Osnabrück Declaration monitoring

## DATE:

9 November 2023, 9:30 – 12:30 CET

## OBJECTIVES:

1. To **recap** key information about the Osnabrueck process, its potential value for candidate countries, and next steps.
2. To **inform** participants about the main results of the monitoring of NIPs implementation in 2021 and 2022.
3. For DGVTs and ACVTs, to **validate** the monitoring outcomes, as reported in the 'country briefs', shared ahead of the meeting (during country workshops).
4. To **reflect and discuss** with participants about enablers and disablers of progress in implementing the NIPs (during country workshops, in English or in the national language).

Time	Session
