

AGENDA

VET Recommendation and Osnabrück Declaration peer learning event

DATE:

27-28 May 2024, CET

OBJECTIVES:

During the event, Directors General for VET and members of the Advisory Council for VET will have the opportunity to:

- Participate in **peer learning** by exchanging with and learning from other countries on making VET agile, flexible, innovative and attractive, by mobilising various digitally oriented strategies and solutions, such as:
 - o Integrating digital skills and competences in VET curricula and programmes
 - o Diversifying modes of learning through digital and/or blended learning
 - o Supporting teachers and trainers' professional development for and through digital solutions
 - o Modernising VET infrastructure of VET provision.
- Showcase national good practices.
- Learn about the first **monitoring results of 2023 policy developments** and complement them.
- Engage in a **self-reflection exercise about the country's experience in the Osnabrück process**, also in view of the post-2025 cycle of the Copenhagen process.
- Network with peers from other countries.
- Participate in a site visit in Turin.
