

SKILLING UP WESTERN BALKAN AGRIFOOD SECTOR NETWORKING EVENT

Jasna Mastilović, BioSense Institute

Introduction to the WB6/EaP/EU networking session and idea generation

Networking sessions

Today:

idea creation

- Structuring the groups of participants with common interests
- Brainstorming towards common ideas

Tomorrow:

initiative drafting

- Presenting the ideas by rapporteurs
- Brainstorming by groups towards structuring of joint initiatives in agreement about future activities

Outcome:

- Getting to know people from whole WB and EaP with common interests
- 
- Foundations for joint elaboration of initiative which will be funded and implemented in the future

IDEA CRATION: Topics in focus

EU priorities: competitiveness, jobs

- Digitalisation
- Greening

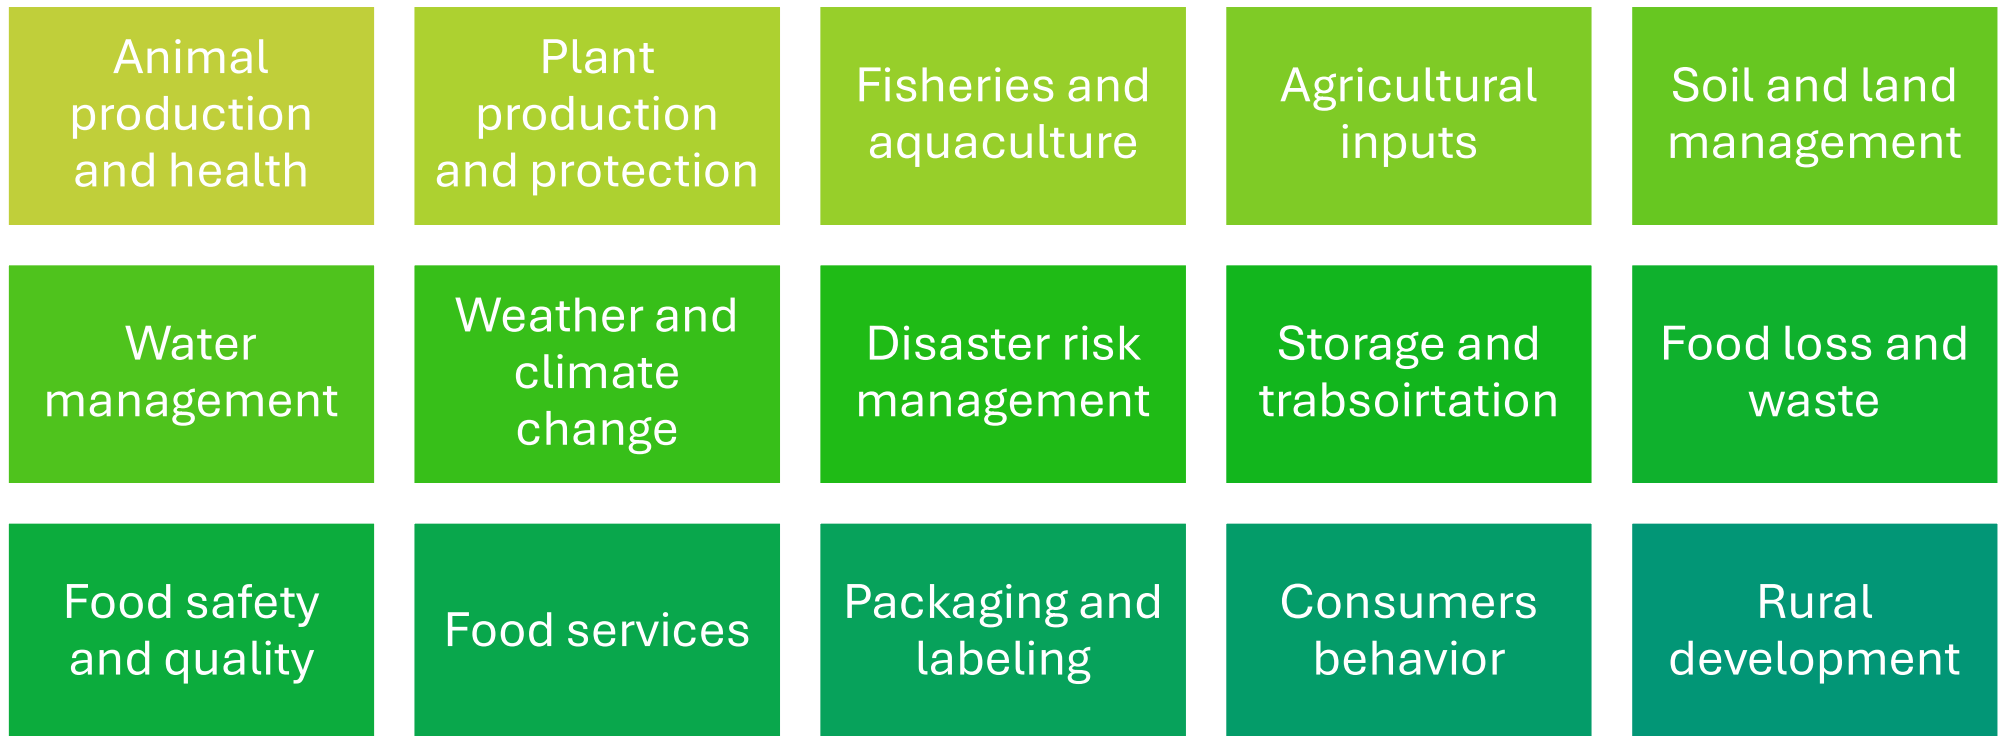

Enhancing development capacities

- R&I ecosystems and capacities
- Strategic initiatives and policies

TOPIC 1: AGRITECH

Emerging innovation and digitalization for more sustainable and resilient agrifood sector

TOPIC 2

ORGANIC

Towards EU green deal goals

Organic farming	Pesticides	Fertilisers	Green labels
Zero waste production and processing	Waste and losses reduction	Harmful materials	Short supply chains
Restoration and remediation	Biodiversity	Pollinators	Nature based solutions

TOPIC 3

BUSSINESS SUPPORT

Strategic approaches and policy initiatives

Smart
specialization

Cross border
cooperation

Education and
training

Entrepreneurship

Digitalisation

AI

Environment

Biodiversity

Data gathering,
sharing, re-use,
and monitoring

TOPIC 4

RESEARCH AND INNOVATION

Networking towards enhancement R&I ecosystems and R&I capacities

Joint R&I initiatives

Research/industry
cooperation
initiatives

Innovation
capacity
enhancement
initiatives

Knowledge sharing
initiatives

Responsible
research and
innovation
initiatives

Open/shared
research
infrastructure
initiatives

IP protection and
licensing initiatives

Boosting
academic

initiatives

Boosting research
excellence

Approach TO Idea generation

Select topic of your primary interest

Breakout sessions by topics

Identification of problems

Selection of problems of common interest

Forming of subgroups

Appointing group moderator and note taker

Presenting ideas to ETF experts who will rapport them tomorrow

Exchange the impressions and appoint rapporteur for tomorrow (volontier)

JASNA

After coffee break (11:30) your host will wait for you here and lead you to the breakoutroom

BREAKOUT ROOM

- TOPIC 1:
AGRITECH
Emerging innovation and
digitalization for more sustainable
and resilient agrifood sector

TOPIC 1: AGRITECH

Emerging innovation and digitalization for more sustainable and resilient agrifood sector

Animal production and health	Plant production and protection	Fisheries and aquaculture	Agricultural inputs	Soil and land management
Water management	Weather and climate change	Disaster risk management	Storage and transportation	Food loss and waste
Food safety and quality	Food services	Packaging and labeling	Consumers behavior	Rural development

Group sessions

- Selection of issues
- Forming of groups

- *Which problem(s) do you have in common that you wish to resolve?*
- *Which solutions do you see to solve the problem? What would be the best solution?*
- *Who will benefit from the solution? Who could be the target?*
- *What would be needed to take action?*

- Summarise
- Appoint a rapporteur for debriefing the next day

BREAKOUT ROOM

- TOPIC 2
ORGANIC
Towards EU green deal goals

TOPIC 2 ORGANIC

Towards EU green deal goals

Organic farming

Pesticides

Fertilisers

Green labels

Zero waste production and processing

Waste and losses reduction

Harmful materials

Short supply chains

Restoration and remediation

Biodiversity

Pollinators

Nature based solutions
