Informagiovani Roma Capitale

- a free public service
- aimed at young people aged 14 to 35
- providing information and guidance on opportunities available to them in the fields of:
 - education
 - employment
 - international mobility
 - volunteering
 - cultural life

Objectives

- Simplify and make information accessible
- Disseminate existing opportunities
- Support young people in defining their path
- Strengthen their understanding of their skills
- Encourage informed decision-making

How It Works

- One-on-one consultations and personalized guidance
- Activities in schools
- In-depth seminars
- Networking activities
- Web and social networks

Making Informed Choices: Guidance

Self-Knowledge

- Who am I?
- What are my skills?
- What do I want to do?

Understanding the External Context

- Education and training opportunities
- Labor market trends
- Professional roles and sector
- ...
