**TITLE:**

## Understanding vocational excellence within ENE

**SUBJECT:**

### KEY TAKEAWAYS FROM ENESAT ASSESSMENT 2020-2024

**14 MAY 2025, 10:00 – 12:00 (CEST)**

**ONLINE ZOOM WEBINAR**

**SUMMARY:**

The objective of this event is to present key findings gathered through ENESAT - the ETF's Network for Excellence (ENE) self-assessment tool<sup>1</sup>. The scope of ENESAT is to build a shared understanding of vocational excellence within the ENE and to help its members to gauge their own level of development with respect to what might be expected of a Centre of Vocational Excellence (CoVEs). ENESAT is mainly designed for the network members.

The findings and analysis are central to ETF's work on vocational excellence in its partner countries. It also aim at strengthening the importance of VET excellence on the European Union agenda, put forward in the recent Union of Skills<sup>2</sup>, the 2020 [Council Recommendation on VET](#) and [Osabrück Declaration](#).

**The working languages of the event are English, French and Russian.**
