

TITLE OF THE PROCEDURE:

Promoting Entrepreneurial Centres of Vocational Excellence

Authorising department: Project Management Tools and Dissemination Unit

Deadline for application: 26 May 2021

Planned launch date: May 2021

Budget: 60,000€

Scope of the procedure:

The main objective of the requested service is to support ETF in the setting-up and facilitation of a Partnership in the thematic area of Entrepreneurial Centres of Vocational Excellence (Entrepreneurial CoVEs) and, in particular, Entrepreneurship as a key competence across teaching and learning in a life-long learning perspective, and management and governance levels.

The expected result(s) are:

For Phase 1:

- Setting the scene - on-line webinar and report on key conceptual and methodological aspects of "Entrepreneurial COVEs" and a reflection tool
- Identifying four areas of common work - report on findings from reflection exercise and recommendations
- Learning from good practices – on-line webinars and coaching sessions and report with key messages

For Phase 2:

- Progressing – coaching sessions and individual meetings to identify action plans for the future
- Sharing - on-line sharing sessions and report with key messages

- Disseminating – communication planning, videos production and participation to the network annual events
- Conceptualising - eport on ENE concept around “Entrepreneurial COVEs” including lessons learnt and recommendations for future activities

Type of contract: Fixed contract service on phases

Selection criteria - technical and professional capacity requested to the economic operator:

1. Experience in implementing similar services in the past three years, including:
 - services integrating Entrepreneurship as key competence in education programmes
 - work with TVET centres on training provision and governance
2. Membership in international networks and initiatives related to Entrepreneurial learning
