

COVID-19 RESPONSE

Key information

Controller and business owner

Cesare Onestini, Director of the ETF, Cesare.Onestini@etf.europa.eu

Data protection officer

Tiziana Ciccarone / Laurens Rijken, DataProtectionOfficer@etf.europa.eu

Purpose of the processing

The purpose of processing is to manage the ETF response to Covid-19 pandemic, in particular:

- *Managing access to ETF offices (Verification of EU Digital Covid certificate/certificate of exemption of vaccination, temperature control, collection of self-declarations)*
- *Monitoring presence in ETF office (registration of arrivals-departures)*
- *Handling positive Covid-19 cases and related contact tracing*
- *Managing teleworking (teleworking location)*
- *Identifying vulnerable staff for priority access to vaccine (medical file)*

Legal basis

The legal basis for the processing operations of personal data is:

- *Circular note of the Ministry of Health 22 January 2020, n. 1997 and successive*
- *Ordinance from the Minister of Health 30 January 2020*
- *Resolution of the Council of Ministers 31 January 2020 and successive*
- *Italian Law Decree 23 February 2020, n. 6 and successive*
- *Italian Prime Ministerial Decree 1 March 2020, and successive*
- *Law 5 March 2020, n. 13 and successive*
- *ETF/21/DEC/006 Director decision of 26/02/2021 on Transitional measures during the Covid-19 disease pandemic, and successive*
- *Circular notes of the Ministry of Health 5309-04/08/2021-DGPRES and 35444-05/08/2021-DGPRES on the issuing of certificate of exemption of Covid vaccination and successive*

- *ETF/21/DEC/015 Director decision on ETF COVID-19 anti- infection security protocol - phase 1, and successive*

Personal data

Personal data concerned are:

- For ETF staff (Temporary, Contract and Local Agents) and household members, temporary workers, on-site contractors, visitors: *Name and birthdate (visible on VerificaC19 app), body temperature, absence of Covid-19 symptoms in self-declaration, arrival and departure times*
- For ETF staff only: *Location of teleworkers (also if different from place of establishment), certificate of vulnerability for priority access to vaccine*
- For ETF staff and household members: *Covid-19 infection status when infected.*

Provision of data is necessary, in particular to be allowed access to ETF premises, and on a general level, to ensure compliance with national Covid-19 related legislation, and for ETF staff, to be compliant with the ETF Covid-19 anti-infection security protocol.

Concerning the verification of EU Digital Covid certificate: this is done using the VerificaC19 app (as recommended by the Italian Data Protection Authority), installed on a dedicated ETF telephone, used only by designated access control operators. The outcome of the verification is not recorded.

Concerning the verification of certificate of exemption of vaccination, the verification is done by designated access control operators. The outcome of the verification is not recorded.
