

AGENDA

VOCATIONAL LEARNING AT A DISTANCE: SUPPORTING VOCATIONAL TEACHERS UNDER THE LOCK DOWN

MULTILINGUAL WEBINAR (EN, FR, AR, RU)

26 MAY 2020

SUMMARY

This multi-lingual webinar will focus on good practice in support and training for teachers and trainers for distance learning at different levels (national, regional, school) and on the potential of distance learning to innovate education and training provision.

Representatives from Ministries, Training Agencies and schools from ETF partner countries and EU member states will describe the blend of approaches they have used and how well they have worked in the following areas:

- National Support and Training for Teachers for distance learning
- School-based Teacher Support for distance learning (teacher peer-to-peer learning and school-to school)
- Network(s) of Teachers

- Monitoring and Coordinating Training and Support

The webinar will conclude with a poll on participants' preferences for topics to be addressed during the various follow up webinars from June to September. For details see [ETF Open Space](#).
