WORKSHOP TO VALIDATE THE ONE-OFF REPORT ON VALIDATION OF NON-FORMAL AND INFORMAL LEARNING

HOTEL SIRIUS, MEETING ROOM “ANDROMEDA”, PRISTINA,
KOSOVO

18 SEPTEMBER 2019

SUMMARY

The European Training Foundation (ETF), agency of the European Union, in collaboration with the National Qualification Authority (NQA), will organise, Wednesday, 18 September 2019, a workshop to validate the one-off report of Kosovo on Validation of Non-Formal and Informal Learning (VNFIL)

Kosovo is a member of the EQF Advisory Group. This body is chaired by the European Commission and comprises the EU countries, EEA countries, candidate and potential candidate countries and European social partners, students' groups and other representatives associations and institutions. This Group, as name suggests, was initially founded to oversee implementation of the EQF Recommendation, but now has a dual mandate, to cover also the 2012 Council Recommendation on VNFIL.

Kosovo would like to present the current state of play in validation of non-formal and informal learning in the country (recognition of prior learning) to the EQF advisory group. In order to this, a one-off report needs to be presented during an EQF advisory group meeting. The one-off report has been drafted and we would like to use this workshop to receive feedback on the draft in order to finalise the report and to be able to present it during one of the next EQF advisory group meetings.
