

THIERRY FOUBERT

HEAD OF THE STRATEGIC DEVELOPMENT UNIT

Thierry Foubert has over 17 years of international experience in both development and humanitarian work with EU, UN, bilateral agencies and NGOs, including the provision of upstream policy advice on human capital development in Egypt and Tunisia, system engineering for public-private-led skills development in both Uganda and Palestine, spearheading of e-learning and mobile learning in Palestine, supporting university cooperation and digitalization in the DR Congo, coordinating humanitarian efforts in the WASH sector in Palestine and facilitating global networking and policy dialogue on urban development.
