CENTRE FOR PROFESSIONAL EXCELLENCE

it is not a separate type of vocational education institution, but rather an institution’s status which confirms its ability to render innovative functions and services that meet the qualitative and quantitative criteria of prestigious vocational education
CENTRE FOR PROFESSIONAL EXCELLENCE

- Is open for all categories of clients
- Offers various and flexible forms of learning
- Is a HUB of new knowledge and methodologies
- Evaluates and recognizes qualifications
- Actively cooperates with stakeholders
- Creates a positive image of vocational education
- It is a catalyst for the development of the (T)VET sector, as well as relevant economic sectors of the region and the country
CLUSTER-SECTORAL APPROACH TO THE CREATION OF CPE

The best option is a combination of 2-3 branch directions made of one or several different clusters which

• have economic linkages and interdependence,
• complement and promote the development of each other,
• ensure mobility of applicants for professional qualifications on the labor market, and promote their employment and self-employment.
