

# European Alliance for Apprenticeship (EAfA)

# What is the European Alliance for Apprenticeship?

The EAfA is a multi-stakeholder platform (launched in 2013) aiming at:

- Strengthening the **quality, supply and image** of apprenticeships in Europe
- Promoting the **mobility of apprentices**

These aims are promoted through  
National commitments and voluntary pledges from stakeholders

# European Alliance for Apprenticeship

36  
countries

294  
pledges

>907,000  
offers

# Members

In addition to National Governments, members of EAfA include

Research institutes/think tanks

Regional and local authorities

Non-profit/youth organisations

Companies and business organisations

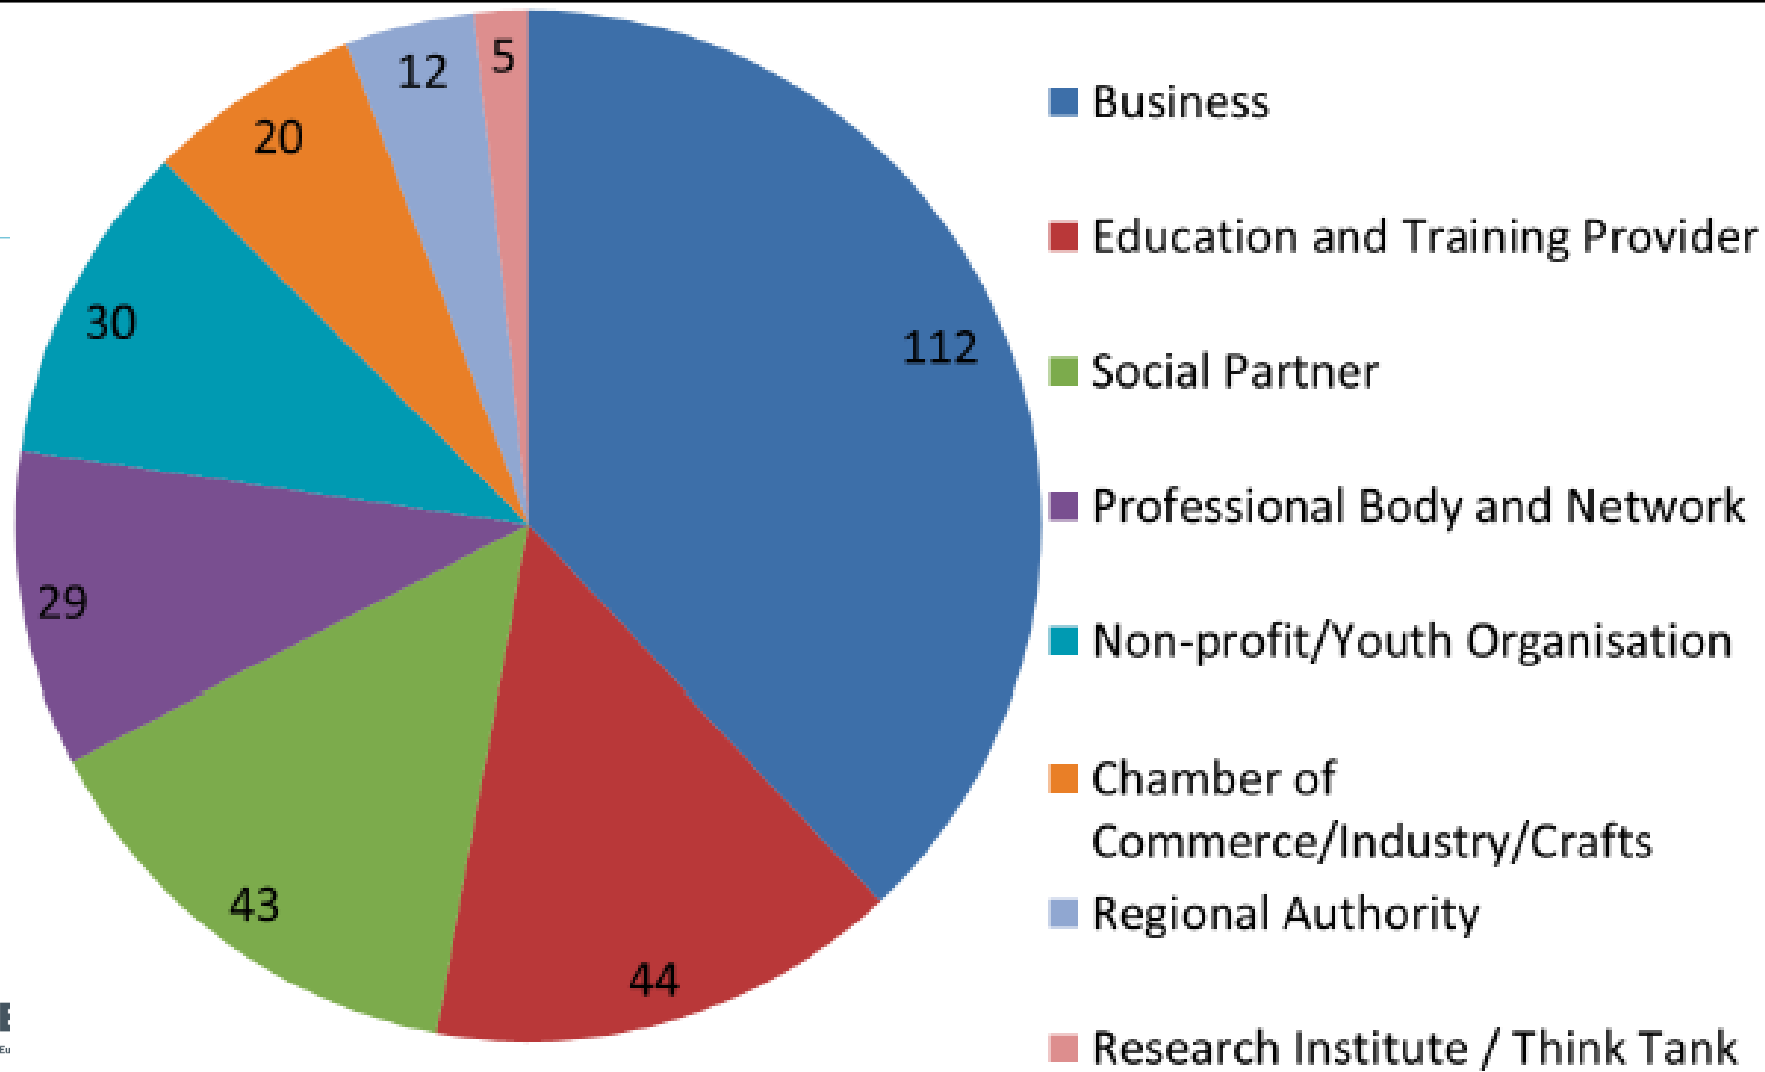

Social partners

Education and training providers

Professional bodies and networks

Chambers of commerce/industry/crafts

# EAfA for sharing experiences and learning from best practices

It allows members to:

- find partners
- promote events
- develop new ideas and activities
- provide access to the latest news and tools on apprenticeships

The Alliance is open to all EU, EFTA and candidate countries, and stakeholders from these countries.

# Apprenticeship Support Services

## Knowledge-sharing

- Library of resources
- Online training modules
- Inspiring examples

## Networking

- Online networking
- Events: high-level, stakeholder meetings, learning seminars

## Benchmarking

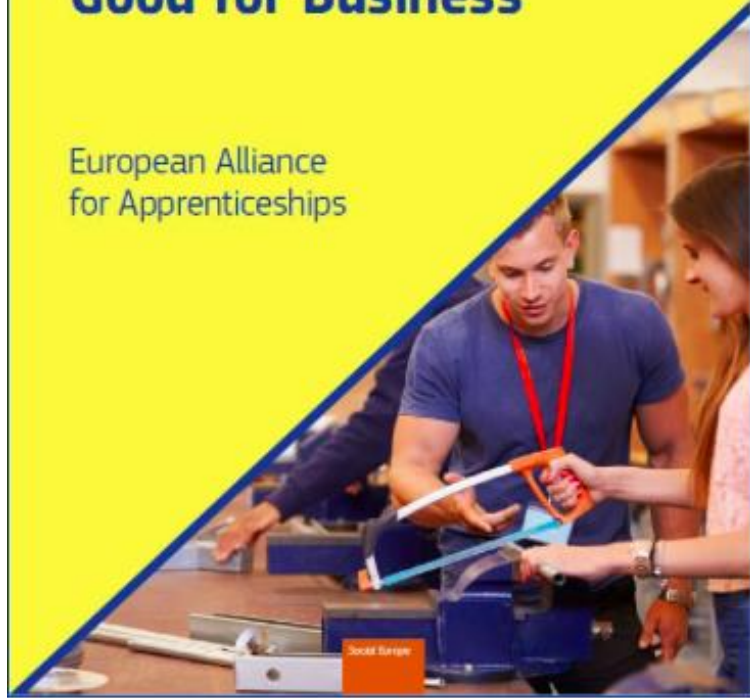

- Targeted support and capacity building
- Excellency model
- Self-assessments and mutual learning
- Progress reviews

# Good for Youth Good for Business

European Alliance  
for Apprenticeships

## EAfA Regional Seminar for candidate countries:

The ETF facilitates and supports Candidates Countries efforts to contribute actively to EAfA and encourages them to exchange experience and analysis.

Each year ETF co-organized with the EC (DG EMPL) a regional seminar for the Country Candidates.

Thematic topic tackled during the previous Regional seminars:

- access, quality and attractiveness of apprenticeships
- the role of school – business liaison persons in work-based learning and on financing of work-based learning.
- trainers and teachers and work-based learning
- SMEs engagement in WBL

Each year
