- A. whereas the Court of Auditors (ECA) stated that it has obtained reasonable assurance that the annual accounts for the financial year 2007 are reliable, and the underlying transactions are legal and regular,
- B. whereas on 22 April 2008 Parliament granted the Director of the European Training Foundation discharge in respect of the implementation of the Foundation's budget for the financial year 2006⁶, and in its resolution accompanying the discharge decision *inter alia* expressed surprise that the ECA's report made no reference to the fact that the Director's declaration of assurance (annexed to the annual activity report) was made subject to reservations concerning political uncertainty in partner countries, the financial management of the Tempus convention and possible social, reputational, legal and financial implications of Tempus technical assistance in the Foundation,

1. Notes the ECA's finding that in the amending budget, the amount of assigned revenue was stated in an incorrect way; it should have been EUR 1 200 000 instead of the EUR 3 400 000 shown, which included assigned revenue carried over from the previous year;
2. Notes the Foundation's promise to further align its practices with regard to budget presentation to the regulatory requirements;
3. Notes that, in the declaration of assurance (annexed to the annual activity report), the Director maintains reservations made last year concerning political uncertainty in partner countries, financial management of part of the Tempus convention and possible social, reputational, legal and financial implications of the repatriation of Tempus technical assistance from the Foundation;
4. Invites the ECA to examine and comment on the Director's reservations in the forthcoming audit report on the Foundation;
5. Refers for other observations accompanying its Decision on discharge which are of a horizontal nature to its resolution of 23 April 2009 on financial management and control of EU agencies¹.
