

Governing Board Decision laying down general implementing provisions regarding Article 87(3) of the Conditions of Employment of Other Servants of the European Union

THE GOVERNING BOARD OF THE ETF

Having regard to the Treaty on the Functioning of the European Union,

Having regard to the Staff Regulations of Officials of the European Union ('Staff Regulations') and the Conditions of Employment of Other Servants of the European Union ('CEOS'), laid down by Council Regulation (EEC, Euratom, ECSC) No 259/68¹, and in particular Article 110(2) of the Staff Regulations and Article 87(3) of the CEOS,

Having regard to the Council Regulation (EC) n° 1339/2008 of 16 December 2008 establishing a European Training Foundation (recast²), and in particular Article 21 thereof,

Having regard to the Communication C(2014)6543 final of 26 September 2014 from Vice- President Šefčovič to the Commission on the guidelines on the implementation of Article 110(2) of the Staff Regulations with regard to the implementing rules applicable in the agencies, and in particular Point 2.B thereof,

Having regard to the agreement of the European Commission pursuant to Article 110(2) of the Staff Regulations C(2015) 9561 of 16 December 2015,

After consulting the Staff Committee],

Whereas:

- 1) On 16 May 2014, the Commission informed the ETF that it adopted Decision C(2014)2222 of 7 April 2014 on general provisions for implementing Article 87(3) of the CEOS amending Commission Decision C(2013)2529 of 3 May 2013 on the same matter (hereinafter 'Commission Decision C(2014)2222').
- 2) Pursuant to Article 110(2) of the Staff Regulations, implementing rules such as those referred to in Recital 1 shall apply by analogy to the ETF. By way of derogation, an agency may request the Commission's agreement to the non-application of certain implementing rules. The Commission may, instead of accepting or rejecting the request, require the agency to submit for its agreement implementing rules which are different from those adopted by the Commission.
- 3) Commission Decision C(2014)2222 is suitable to apply to the ETF contract staff provided that certain adjustments are made to take into account the peculiarities of the Agency. Those adjustments concern in particular the actors involved, the reclassification procedure and the transitional provisions.
- 4) The reclassification system applicable to contract staff recruited by the Agency under Article 3a of the CEOS is based on consideration of the comparative merits of the contract staff eligible for reclassification, taking account of the reports on the staff, the use of languages in the execution of their duties other than the language for which they have produced evidence of thorough knowledge in accordance with Article 82(3) of the CEOS and the level of responsibilities exercised by them.

² J L 354 of 31/12/2008, p. 82

HAS DECIDED AS FOLLOWS:**Article 1 — Scope**

These general implementing provisions shall apply to members of the contract staff employed under Article 3a of the CEOS (hereinafter referred to as 'staff members').

Article 2 — Annual reclassification exercise

A reclassification exercise shall be held each year. It shall be launched by the HR Unit by means of the publication of a notice.

Article 3 — Staff members who may be the subject of a reclassification decision

Staff members may be the subject of a reclassification decision if they satisfy all of the following conditions:

- by 31 December of the year of the reclassification exercise at the latest, they have achieved the minimum seniority in the grade required by Article 87(3) of the CEOS,
- they have a contract of at least three years, including renewals,
- they are in active employment, on parental or family leave or on leave for military service on the date on which the reclassification decisions are adopted by the authority authorised to conclude contracts of employment ('AACC'³), and
- their appraisal reports have been finalised in application of the Agency's general provisions for implementing Article 87(1) of the CEOS, if a report was required under the terms of those provisions. In cases where an appraisal report has not been finalised as a result of a delay for which the staff member cannot be held responsible, the staff member shall nevertheless take part in the reclassification procedure on the basis of other valid information replacing the appraisal report and may therefore be the subject of a reclassification decision.

Article 4 — Basis of the reclassification procedure

1. The reclassification procedure shall be based on consideration of the comparative merits of the staff members eligible for reclassification. The secure electronic⁴ system used to administer the exercise shall contain the information required for this comparative examination. For the purposes of the examination, the AACC shall take into account, in particular:
 - (a) reports on the staff members drawn up since their last reclassification or, failing that, since their recruitment to the function group and grade in which they are classified at the time of the reclassification exercise, and in particular the appraisal reports drawn up in accordance with the Agency's general provisions for implementing Article 87(1) of the CEOS;
 - (b) the use by the staff members in the execution of their duties of languages other than the language for which they produced evidence of thorough knowledge in accordance with Article 82(3)(e) of the CEOS, and
 - (c) the level of responsibilities exercised by them.
2. If staff members eligible for reclassification have equal merit based on the three factors referred to in paragraph 1, the AACC may give subsidiary consideration to other factors.

Article 5 — Reclassification procedure

1. The reclassification exercise shall be launched only once the appraisal exercise organised in the same year has been finalised. The end of the appraisal exercise shall be announced by the HR Unit by means of the publication of a notice.

³ The Director

⁴ In the absence of an electronic-based system, the procedure shall be carried out manually and the relevant provisions shall be applied *mutatis mutandis*.

2. At the start of the reclassification exercise, the HR Unit shall inform the Head of the Agency as referred to in the act(s) establishing the Agency (hereinafter referred to as 'the Director') of the arrangements for the current exercise, giving an indication of the financial resources available for the current year.
3. Within the Agency, the Heads of Department shall consult the reporting officers referred to in Article 3(1) of the Agency's general provisions for implementing Article 87(1) of the CEOS.
Following that consultation, the Director and the Heads of Department, shall proceed with the examination of the comparative merits of the staff members eligible for reclassification. By way of derogation from this paragraph, the Heads of Department who do not have any contract staff in their departments may decide not to take part in this examination.
4. Following the examination referred to in paragraph 3 above, the Director shall hold a discussion with the Staff Committee. Except where the Agency has more than 100 contract staff members, the Director may delegate this task to the Head of Department or the Head of Unit responsible for human resources or to another member of management. During this discussion the Director shall, at the request of the Staff Committee, specify the factors referred to in Article 4(2) of these general implementing provisions that were given subsidiary consideration in the case of equal merit.
5. Following the discussion referred to in paragraph 4 above, the Director shall draw up a list of staff members proposed for reclassification. That list may not exhaust the budgetary resources available for the reclassification of staff members for the current exercise.
6. The Director shall communicate to all the Agency's staff the list of the staff members he or she wishes to propose for reclassification and shall forward this list to the Joint Reclassification Committee referred to in Annex I.
7. The staff member shall have ten working days from the date of publication of this list in which to lodge a complaint with the Joint Reclassification Committee against the fact that he or she is not on the list, with supporting arguments. On receipt of the list referred to in paragraph 6, the Joint Reclassification Committee, taking into account any complaints it has received, shall compare the merits of the staff members eligible for reclassification and present for the attention of the AACC the list of staff members it recommends for reclassification. That recommendation may not exceed the budgetary resources available for the reclassification of staff members for the current exercise.
At the same time as the transmission of the recommendation to the AACC, the Joint Reclassification Committee shall forward to the AACC the complaints and the discrepancies, if any, referred to in Annex II.
8. Once it has received the information referred to in paragraph 7 above, and has at its disposal the files of all the staff members eligible for reclassification, the AACC shall carry out a final comparison of the merits of the eligible staff members and, taking into account the budgetary resources available for the current exercise, shall adopt the list of staff members reclassified. The staff members concerned shall be reclassified in the first step of the next higher grade in the function group to which they belong.
9. The list of staff members reclassified shall be published by means of a notice. Without prejudice to the confidentiality principle referred to in Article 4 of Annex I, each staff member shall be given access to all relevant information related to his/her individual reclassification procedure.
10. Reclassification will take effect on 1 January of the year of the reclassification exercise. If, on that date, the staff member does not have the seniority in the grade required under Article 87(3) of the CEOS, the reclassification shall take effect on the first day of the first full month during which he or she possesses the necessary seniority.
11. Publication of the list of staff members reclassified referred to in paragraph 9 shall constitute communication of the decision within the meaning of Article 25 of the Staff Regulations. The period of three months in which to lodge a complaint, provided for in Article 90(2) of the Staff Regulations, shall start to run on publication of the list.
12. The Joint Committee shall examine each reclassification exercise. To this end, all relevant information shall be made available to the Joint Committee. After each reclassification exercise, the Joint Committee shall draw up a report that may contain recommendations. This report shall be sent to the Director and the Staff Committee and made public to all the Agency's staff.

Article 6 — Average time spent in the grade

For the purposes of the procedure in Article 5 of these general implementing provisions, and subject to the limits imposed by the budget, the AACC shall take account of the following table, which shows for each grade separately the desired average reclassification period.

Function group	Grade	Average number of years spent in the grade before reclassification into the next grade

- 3.2 If any member of a Joint Reclassification Committee, including the Chair, has a personal interest in a matter such as to impair his or her independence in the handling of that matter, he or she shall be replaced by the appropriate alternate member and refrain from participating in the work of the Committee.
- 3.3 A conflict of interests shall be any situation where a member of a Joint Reclassification Committee, including the Chair, is called upon to decide on a matter which could appear, in the eyes of an external third party, as a possible source affecting the staff member's independence on the matter.

4. *Confidentiality principle*

The deliberations and documents of the Joint Reclassification Committee shall be confidential.
