

#### A brief biography

Stanislaw Drzazdzewski - General Counsel at the Ministry of Education and Science, Department of Strategy, Qualifications and Vocational Training. Since 1991, he has been working in the education administration, first at the regional and then national level. He has been working at the ministry since 1998, where he first coordinated work on the reform of the child care and prevention system, and then the creation of an educational information system (electronic administrative database of educational institutions in Poland). In the years 2002-2012 he was a representative of Poland in the Governing Board of the OECD/PISA program. Also, since 2002, he participated in the work related to Poland's participation in European cooperation in education and training (ET 2010, ET 2020). From 2007, he coordinated the work related to the development of the first in Poland strategic document on lifelong learning policy. Currently, he is continuing work in the field of LLL policy, with an emphasis on adult learning and acts as the national coordinator of the implementation of the European agenda for adult learning in Poland.
