# **ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY**

**ANKARA  
2017**

## ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY

- Erasmus + program contributes to increasing the quality and attractiveness of VET in Turkey and thus plays an important role in educating qualified labor force in our country.

## ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY

- Within the scope of the supported projects; by the grant support provided to VET schools, universities, public institutions, non-governmental organizations, companies, and municipalities; our students and teachers get the opportunity to have training and internships in their fields of study in Europe.

## **ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY**

- With the projects prepared and presented by the schools affiliated to DG for VET Turkey, several opportunities are provided for the students to carry out long-term internships in their fields abroad.

## ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY

- Many of the students, who have not come out of their hometowns before, had the opportunity to get on-the-job training in several EU countries which is a good example on our country's investment in human resources for the integration with the EU.

## ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY

- With the same purpose, the projects prepared for VET teachers are planned to reach every part of the society by supporting larger sections of the community and human resources in VET.

## ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY

- All those projects are aimed to improve the quality and continuity of VET by improving the skills and abilities of our students and teachers.

## **ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY**

- These projects are put into practice by our schools under the coordination of our General Directorate with aim of increasing participation to and strengthening the renovation process in vocational education and enabling inclusion with EU Member States in EU Accession regarding vocational perspective

## **ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY**

- The evaluation process of the project proposals submitted within the framework of Erasmus + Vocational Education Learner and Personnel Mobility activity period of 2017 call for proposal by the Ministry of EU Education and Youth Programs Centre (Turkish National Agency) has been completed and was announced on 01 August 2017.

## **ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY**

- Within the scope of the Turkish National Agency Erasmus + Projects, those who meet the eligibility criteria of more than 2000 project proposals under the programs for Vocational Education Learner and Staff Mobility, Workplace Based Training and Internship, Strategic Partnerships for Innovation Development and Exchange of Good Practices have been evaluated in terms of content.

## **ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY**

- As a result of the evaluation, 553 projects were entitled to grant support and 462 of the 553 projects to be supported prepared by our schools affiliated to the General Directorate of Vocational and Technical Education of our Ministry located in 73 provinces. The total amount of grants that our institutions will put to use is 17,235,285 euros.

## **ERASMUS+ PROJECTS IN TURKEY: TAKING WORK BASED LEARNING AS THE MAIN PRIORITY**
